12.5 Terms and Conditions

Term and Conditions 6b

6. The Corps shall provide NMFS with annual reports starting one year after the date of this Opinion regarding Project compliance, monitoring, restoration, and research activities. The report shall also summarize annual implementation of reasonable and prudent measures and their implementing terms and conditions:

b. Monitoring Activities:

i. An annual monitoring report will be completed for each monitoring action (MA-1 to MA-6). The following shall be included in the monitoring report for each monitoring action: (1) Overview of monitoring action; (2) monitoring data and results; (3) description of adverse impacts to ESA-listed salmonids and/or their habitats that were determined to be related to Project activities; and (4) recommendations to be reviewed by adaptive management team.

Action Plan: The annual report on the MA-1 to 6 will be provided to NOAA Fisheries and the U.S. Fish and Wildlife Service that discuss the items specified.

Schedule: The first report was submitted in May 2003 and then annually each year in January.
